

# 2021 Global IC Shortage and Its Affects on Hinds PEM Production

---

# Standard PEM200

---

Various Models of optical enclosures, as seen below. Each with a PEM-200 Controller, head-to-controller cables (dual sma coax), and a USB communications cable.

## Series I

I/FS40, I/FS50, I/FS60

## Series II

II/FS42, II/FS47, II/FS47, II/IS42

## PEM-200 Controller

II/ZS37, II/ZS42, II/ZS50

# Standard PEM100

Various Models of optical enclosures. Each with a PEM100 electronic head, PEM-100 Controller, head-to-head cables (triax or dual coax), head-to-controller cable, and RS232 communications cable.

# PEM Configuration for PEM200 orders during IC Shortage

PEM200 optical enclosure, PEM100 electronic head, PEM-200 controller, dual sma coax head-to-head cables, head-to-controller cable, RS232 communications cable.

Example:
